DESCRIPTION

Magnificent house from the 15th century with about 500 m² area. The building is divided into ground floor with a large, antique kitchen, two rooms, new kitchen, wine cellar with cave entrance into the rock, bathroom, laundry room, wood stove, stables, storage areas including granary and barn. The first floor consists of a room and two open halls with access to two terraces. At the bottom are various typical Mediterranean trees, including carob trees, wild olives, fig trees, pines, and more.

The land is completely enclosed with traditional stone wall. The entire property is located on the highest point of the municipality of Campos in the south of Majorca.
